WE are pleased to learn that President Nelson has determined to condent nelson has been and land, and is in the

a statesman, possessing the very highest order of talent, as acknowledged even by his bitterest opposers." His speech was well received. Col. Monrills, his Radical opponent, falls short of possessing equal talent, but is doing the best he can. The Miscellany says: "It is a little funny to hear Monrhis charging Kellogg with being a carpet-bagger, and Kellogs, on the other hand, charging Monrhis with being a scalawag."

present qualihed voters for members of the deneral Assembly. We are confident that this restriction will not be retained in the bill. It is against the wishes of the Legislature, and against the wishes of the Judiciary Committee, and is accounted for only by the anxiety of the committee to present the bill in any, even a crude shape, so as to hasten final action.

The preamble of the bill starts out with the enunciation of that fundamental truth, taken from the Declaration of Rights, that "all power is inherent in the people and all free govwith being a scalawag."

jury of the last Edgefield Circuit or abolish the government in such ished into thin air! Court consisted of eight white men and eleven negroes, and the petit jury of blacks exclusively, the Court-like last election did not decide that the last election did not decide that house deputies colored, and the white carpet-bagger Solicitor assisted by counsel of the color of the acc of spades? What infinite advantages by the war, were a substantive, important part of the people. Radicalism now confesses this. We believe the respective and solicity of the people of the p ture out, and surrender the whole speaking.

A REPUBLICAN Governor and ma-a convention to those who are now coursed down my cheeks, now and jority in each branch of the Ohio Leg-voters for members of the General then, but I survived. Then the inislature has been elected—a majority of one in the Senate and three in the State may prescribe who shall be the under my chin and slopped its conqualified voters in State elections tents over my face, and into my bo-House. The two Republican Senators and five Representatives from Cincinnati (Hamilton county) hold the bal ance of power and can defeat the XVth Amendment. They were elected by a Fusion ticket, the county having given 1300 majority against the Representatives from Cincinnati (Hamilton county) hold the bal ance of power and can defeat the XVth Amendment. He dried my features with a towel, and way the soap and blood. He dried my features with a towel, and way the soap and blood. He dried my features with a towel, and way the soap and blood in the back of my neck, with a mean pretence of washing away the soap and blood. He dried my features with a towel, and way the soap and blood in the soap and blood and the soap and blood in the soap and blood in the soap and blood and the soap and blood the Badicals. It is stated that the two Scienters are reported to have declared themselves in favor of the amendment, and some of the Representatives, it is claimed without consultation, with the Legis. One of the Representatives recently stated that he "voted against it along with fifty thousand of his fellow-citizens, two years ago, and he has not changed his opinion since." Two others will not tell how they will vote—which means that they have not decided to vote for it. With such slim chances of success as these, it looks very much as though the amendment-will never get Ohio's vote.

In this is far from certain.

One of the Representatives recently surface from our thing that they have no barber shops worthy of the mane, in Paris—and no barbers, either, for order as well as law. While it would have been entirely lawful for them to have been entirely lawful for them to have met in convention in the aggregate, yet it was deemed best, for the sake of order, that the Legislature, only by virtue of any interest, power or order as well as have and lamble of the world against it along with fifty thousand of his fellow-citizens, two years ago, and he has not changed his opinion since." Two others will not tell how they will vote—which means that they have not decided to vote for it. With such slim chances of success as these, it looks very much as though the amendment-will never get Ohio's vote.

In the truth is, as I believe I have since found out, that they have no barber shops worthy of the mane, on barber will on barbers, either, for that matter. The imposter who does that they have not in convention in the aggregate, yet if was deemed best, for the sake of order, that the Legislature should prove that matter. The imposter who does that they have not in convention in the aggregate, yet if was deemed best, for the sake of order, should prevent and the time and place of order, should prevent and the time and place of should prevent provent and the same and anything the consultations streetly wount private and mantal power, specific the world.
